EDUCATION, LICENSES, AND CERTIFICATES

Houston High School

Germantown, Tennessee

PROFESSIONAL EXPERIENCE

AEOP Internship under Dr. Foti,

Intern – Computational Fluid Dynamics

Memphis, Tennessee

May 2025 – August 2025

- Authored “Background Removal in Cavitation Flow using Machine Learning,” a paper to explain a method I developed to remove the background on cavitation videos for the research team in University of Memphis and University of Michigan.
- Implemented a Spectral DNS solver to simulate turbulent flows. Achieved high-order numerical accuracy without high-performance computing resources.
- Studied computational fluid dynamics analysis techniques of spectral proper orthogonal decomposition and helped to pass annual review to maintain funding.

LEADERSHIP EXPERIENCE

Germantown Legends Soccer

Team Captain

Germantown, Tennessee

August 2022 – May 2023

- Guided Germantown Legends Soccer Team to 5th in Tennessee.
- Empowered team members through speeches and directed warmups.
- Orchestrated weekend 11v11 scrimmages with teammates and invited others to cultivate connections to improve player collaboration and technical performance.

HHS Badminton Club

Co-Founder/Vice President

Germantown, Tennessee

August 2022 – May 2024

- Assisted in communication with school administration to create a new club that promoted an uncommon sport.
- Facilitated practices and a tournament for my club members and school.
- Inspired individuals to pursue an interest or hobby in badminton.

Memphis Buddhist Vihara Temple

Community Organizer

Memphis, Tennessee

August 2022 – Present

- Helped coordinate Vesek Day, a Buddhist holiday, for over 60 individuals.
- Led a small band to perform in front of a 30-person crowd.
- Taught and reinforced Buddhist scripture to children at the temple.

SKILLS AND CERTIFICATIONS

Coding Languages

- Proficient in C# and C++
- Proficient in Python

Certifications

- OSHA 10-hour Certification
- Solidworks Certification (Pursuing - ETA May 2026)

Familiar Software

- Ubuntu and Kali Linux
- Autodesk Inventor CAD
- EasyEDA Circuit CAD

AWARDS AND RECOGNITIONS

- 901Hacks Champion Coding Hackathon - 2nd Place with C# - Won \$125
- All-State Recognition, 20th Chair Clarinet, placed out of approx. 150 clarinets
- National Merit Commended Scholar
- National Top School Recognition
- AP Scholar
- GMSD Top Scholar
